

Orange County Games 2009

On March 28-29, the 9th Annual Orange County Basketball tournament was held in Fountain Valley Recreational Center located at 16400 Brookhurst St. Fountain Valley, Orange County, California. Over 200 young basketball players from our Homenetmen Chapters participated in these friendly games. This annual tournament not only brought excitement and teamwork but also built a sense of unity and belonging for our young athletes. This memorable weekend demonstrated how our basketball programs create opportunities for our members to grow as a team in our Homenetmen community. Ararat Glendale Chapter had more than ten basketball teams participating in two divisions G and F. We treasure the memories, stories and fun time that we shared as a member of ARARAT Glendale Chapter.
