# HOMENETMEN GLENDALE "ARARAT" CHAPTER

DONOR  DRIVE  
HOMENETMEN ARARAT CHAPTER

# Annual Report 2018

Dear Friends,

Homenetmen Glendale “Ararat” Chapter’s 2018 Donor Drive Committee would like to extend its sincere gratitude and appreciation to you for your continued support and generosity throughout 2018.

2018 marked the 40th Anniversary of the founding of Glendale “Ararat” Chapter in 1978. It also coincided with Homenetmen’s Centennial celebrations worldwide. Through these past 40 years, our Chapter has achieved many successes and has endured multiple challenges. As a member and supporter you have been part of our Chapter’s history and have invested significant time and effort helping the Chapter achieve its current respected position in the community and in the Homenetmen Family worldwide, with substantial physical assets and significant human capital. Ararat Chapter has nurtured, educated and trained tens of thousands of youth who have gone on to hold leadership positions in our community.

It was in recognition of the importance of this support that the Donor Drive Committee was established. Without our sponsors and donors, our organization would not be able to provide the environment where our youth come together, thrive, and develop into model citizens and future leaders. Our aim has been, and continues to be, to reach out to individuals, organizations, and businesses both within the local Armenian community and the community at large to establish relationships that will generate support for our centers, programs, and activities—both monetary and otherwise.

This Annual Report stands as a testament to the power of your generosity. Within its pages you can learn about the impact your financial backing had on programs throughout all of our divisions, which serve thousands of members of our community annually.

At the same time, we would like to make sure that we show our heartfelt gratitude for all our donors, sponsors, and supporters by properly recognizing you and promoting your enterprises. In turn, we are hopeful that you will continue to support our organization, help us spread our message, and expand our outreach.

Again, we truly appreciate your ongoing support and look forward to having you as a part of our community in the coming year.

Sincerely,

Homenetmen Glendale “Ararat” Chapter

# Heritage Center Opening

After nearly two years of hard work, we are delighted to announce that the Heritage Center Project is finally a reality! The Heritage Center officially opened in December 2018 as part of Chapter's 40th Anniversary and Homenetmen's Centennial celebration programs, thanks in large part to the generous contributions of the Chraghchian family.

This magnificent center, located in the second floor reception area of the Main Campus, is a modern and colorful multi-media repository with permanent and evolving exhibits of Ararat Chapter's history and accomplishments. In addition to preserving Ararat Chapter's history, a key objective of the project is to create a one of a kind, attractive and practical learning experience targeting both members and non-members. Special attention is paid to ensure a hands-on and interactive format where the youth can benefit and learn from this enriching and educational experience.

We are also proud to announce that the Ararat Chapter Heritage Center is named in honor of the late Yeghpayr Sevak Saginian, whose key contributions to the founding and survival of Ararat Chapter in its initial precarious years were undeniably priceless.

# Elevate Dedication

On October 18, 2018, Chapter members, supporters, volunteers, and members of the Galstian family attended the grand opening and dedication of Ararat Chapter's Elevate Fitness Complex in memory of A. Eddie Galstian.

After Ararat Chapter Chairman Y. Serjik Grakasian and Vice Chairwoman K. Roobina Arshakian's remarks, the Galstian family offered their heartfelt remarks for the dedication and support of our youth and programs. Assemblywoman Laura Friedman thanked the family for their generous contribution and presented a Certificate of Recognition from the California State Assembly, 43rd District.

Elevate Fitness Complex, which is located in Ararat's North Campus, was conceived in 2015 to expand our services to the community by providing state-of-the-art facilities for a variety of wellness activities for youth and adults alike. In 2017, the Gaska Alliance Foundation pledged a generous donation of \$100,000 in memory of Eddie Galstian to support the complex's construction. We are honored to have the opportunity to thank the Foundation and the Galstian family for their steadfast dedication by dedicating Elevate Fitness Complex in Eddie's name.

# Scouting

Scouts Division had many activities throughout the year. Our Geragooyin members received their ranks in February. Y. Sevada Avanesian received his Eagle Scout medal and Eagle Scout Neckerchief in May. We had our 33rd Untanoor Banakoom at Camp Tecuya, where 40 years of alumni scouts joined us in sharing memories and experiences. During the camp, K. Zepoor Ohanian and K. Anna Khechoomian received their Khmbapetouhi Astjans.

Geragooyin and Khmbi Geragooyin members traveled to Armenia in early July with K. Caroline Mikailian and K. Roobina Arshakian for the Homeland Initiative. With Armenia Tree Project, we planted 40 trees in Ashtarak, Armenia in honor of the Ararat's 40th anniversary to assist in fighting deforestation in Armenia. With the Fuller Center for Housing Armenia, we

helped a family who had been living in a metal container for over 30 years by insulating the roof of their new home. In Gyumri, our scouts helped remodel Gyumri #8 school, which had been in ruins since the 1988 earthquake. We also established a new library in the school in memory of K. Maggie Abakians with help from K. Caroline Mikailian.

Scouts had the opportunity to climb Aragats and participate in activities in the villages that would test leadership, teamwork, and problem-solving skills. During the 11th Pan-Homenetmen Jamboree Camp, Y. Daniel Shahgaldians, Ari Miavori Khmbapet at the time, received his Ararat Kark. After the camp, we took a trip to Artsakh with family members who had joined us in the days prior. That trip would not have been possible without Y. Arick Gevorkian, who had taken a group of scouts on the same trip in 2014. We visited many churches and landmarks, including a taking a hike to the Zontikner where our scouts were mesmerized by the scenery. Our scouts are impatiently waiting for the next Jamboree in 2022!

After returning from Armenia, Y. Shant Armenian and Y. Aram Apanian both completed their Eagle Scout Service projects, passed their Board of Review, and became Eagle Scouts. Y. Aram Apanian took extra effort to participate and complete his Vkeyal Kark. At the same time, Y. Deon Seyfi, K. Anna Khechoomian, and Y. Seveda Avanesian began their Wood Badge course along with scouts from other chapters. Ari and Arenoush Miavors, under the leadership of Y. Daniel Shahgaldians and K. Annie Ovanessian, ended the year by taking their respective scouts to camp on the same weekend. The feud between the boys and girls will never end since the scouts love competing!

The Fundraising Division organizes several events and activities throughout the year; the proceeds from the division's efforts, along with the help of several dedicated volunteers, helps support our youth programs and chapter's finances.

This year's Fundraising Committee has continued to plan traditional events that have been supported by many throughout the years such as The Easter Festival, Las Vegas Trip, Poker Tournament, and the coffee booth at the Navasartian Games. We have also planned many new events such as Abghoosht Luncheon, Yeretsakan's 35th Anniversary gathering, Ararat Chapter's 40th Anniversary Gala, and the Armenia Trip Raffle, which have also been a big success.

During 2018 seven teams participated in the San Diego games. Nine teams participated in Navasartian games and brought home the overall trophy. In addition to these accomplishments, the Volleyball division purchased new balls and some new equipment for the teams and held monthly clinics at Ararat and San Gabriel Elite Volleyball Club. These clinics while beneficial for all players; they especially inspire the younger players by exposing them to the state-of-the-art facilities and equipment of a professional club.

## Alumni

On April 27, 2018, we celebrated chapter's 40th anniversary by means of a grand gala. Other fun programs included couple of wine nights and family picnic.
