### **2020 BEC Accomplishments.**

- The Basketball Executive Committee met every 2 weeks on average (occasionally, every week) for a total of 37 meetings.

For majority of the meetings AO and CEB Liaison were present.

- At the beginning of the year we met with the A division girls' coaches. This meeting was intended to find out the status of some of the teams as far as players' participation and needs. This included coaching, additional player and practice time needs.
- We met with a few individual teams that had player issues which required some disciplinary action. Those issues were resolved smoothly and the teams carried on as usual.
- BEC was in almost full Attendance at the Seven Games in order to provide support to our coaches and players in case there were issues that needed to be resolved. We were very happy to see that there were no major incidents that occurred throughout the tournament.
- We had scheduled two coaches' general meetings. These meeting were intended to introduce the BEC to our coaches and also go over our policies and procedures as well as code of conducts for Coaches, players and parents for the Basketball Division.

We were able to hold the meeting with the younger division coaches, but due to unforeseen circumstances with COVID we were forced to shut down and were unable to hold the meeting with the older division coaches.

## **2020 BEC Activities**

### **FACE MASK CHALLENGE**

- We did a Face mask challenge as one of the activities in order to keep engaged with our coaches and members during the period where all activities were suspended. It was a fairly good turnout and a good number of people participated. There were 1st and 2nd place prizes given.

### **COACHES HAPPY HOUR**

- A number of our BEC members were present in all coaches happy hour meetings, which was a great opportunity for our coaches to interact with one another and have a few laughs as well as some really good conversations.

### OUTDOOR TRAINING

- Once the outdoor training sessions were to start, a few BEC members were there to help move the basketball hoops from the small court to the main campus parking lot in order to set up the basketball court. When the outdoor training sessions began BEC members were there to help Athletic Office with the checkings, screenings and monitoring of the outdoor training sessions.

### FAMILY GAME NIGHT

- We had planned a family game night where there was going to be a screening of game 4 of the NBA semi-finals. This was going to be an outdoor event in a tailgate format. Unfortunately, the event had to be canceled last minute due to the lack of interest.

### SHOOTOUT AND SKILLS CHALLENGE

- BEC with the help of Alek from the Athletic office planned a shootout and skills competition for all age groups.

This event was a fundraiser for Artsakh, and we are hoping that this could be an annual event for the Chapter.

- The participation fee was \$15 dollars.
- 25 kids participated ages 8-14.
- The winner in each age group and category received a trophy and a \$10 In-N-Out gift card.
- Individual pizzas were sold.
- A total of \$401 was profited from the event.
- The participants and parents were very happy with the event and there was a lot of positive feedback.
